## *Weekly Golf Lessons*

Make a commitment to improving your game in 2011!

For a low monthly fee you can reserve your WEEKLY GOLF LESSON; same day of the week, same time. Minimum 8-weeks, but you can keep it going all summer long if you wish.

This program is perfect if you are looking to make a swing change, improve your overall game, or to really focus on the weakest part of your game. Great way to provide instruction for the junior golfer.

Too often people take a single lesson hoping to improve their swing. In a single lesson you may fix your grip, learn proper alignment, and develop better posture and set-up. But improving your swing and ball striking takes commitment, practice, play, and repetitive instruction.

- The Mental Side of the Game
- Swing Analysis – video and analyze your swing at the beginning and periodically throughout your lessons.
